A. ENTIRE AGREEMENT

This Agreement and its Appendices (if any) constitutes the final, complete and exclusive statement of the terms of the agreement between the parties. It incorporates and supersedes all the agreements, covenants and understandings between the parties concerning the subject matter hereof, and all such agreements, covenants and understandings have been merged into this Agreement. No prior or contemporaneous agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

B. AMENDMENTS

This agreement may only be amended by a written instrument signed by the Parties.

C. CONFLICTS OF INTEREST

Contractor shall comply, and require its subcontractors to comply, with all applicable (i) requirements governing avoidance of impermissible client conflicts; and (ii) federal, state and local conflict of interest laws and regulations including, without limitation, California Government Code section 1090 et. seq., the California Political Reform Act (California Government Code section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations section 18700 et. seq.). Failure to do so constitutes a material breach of this Agreement and is grounds for immediate termination of this Agreement by the County.

In accepting this Agreement, Contractor covenants that it presently has no interest, and will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of this Agreement. Contractor further covenants that, in the performance of this Agreement, it will not employ any contractor or person having such an interest. Contractor, including but not limited to contractor's employees and subcontractors, may be subject to the disclosure and disqualification provisions of the California Political Reform Act of 1974 (the "Act"), that (1) requires such persons to disclose economic interests that may foreseeably be materially affected by the work performed under this Agreement, and (2) prohibits such persons from making or participating in making decisions that will foreseeably financially affect such interests.

If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, Contractor shall, upon execution of this Agreement, provide the County with the names, description of individual duties to be performed, and email addresses of all individuals, including but not limited to Contractor's employees, agents and subcontractors, who could be substantively involved in "mak[ing] a governmental decision" or "serv[ing] in a staff capacity" and in that capacity participating in making governmental decisions or performing duties that would be performed by an individual in a designated position, (2 CCR 18700.3), as part of Contractor's service to the County under this Agreement. Contractor shall immediately notify the County of the names and email addresses of any additional individuals later assigned to provide such service to the County under this Agreement in such a capacity. Contractor shall immediately notify the County of the names of individuals working in such a capacity who, during the course of the Agreement, end their service to the County.

If the disclosure provisions of the Political Reform Act are applicable to any individual providing service under this Agreement, Contractor shall ensure that all such individuals identified pursuant to this section understand that they are subject to the Act and shall conform to all requirements of the Act and other applicable laws and regulations, including but not limited to those listed in subpart (ii) of the first sentence of this Section VI.C including, as required, filing of Statements of Economic Interests within 30 days of commencing service pursuant to this Agreement, annually by April 1, and within 30 days of their termination of service pursuant to this Agreement.

This Agreement has been executed and delivered in, and shall be construed and enforced in accordance with, the laws of the State of California. Proper venue for legal action regarding this Agreement shall be in the County of Santa Clara.

The County has the exclusive royalty-free irrevocable right to duplicate, publish or otherwise use for any purpose, all materials prepared under this Agreement. If Contractor wishes to use the materials prepared hereunder for any purpose including but not limited to promotional, educational or commercial purposes, the Contractor shall obtain prior written authorization from the County, which consent may be withheld by the County in its sole discretion. Contractor acknowledges that all original works of authorship which are made by Contractor (solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act (17 U.S.C., Section 101), and shall belong solely to County. Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or developed by Contractor, solely or jointly with others, in connection with any agreement with the County. Upon termination or expiration of this Agreement, Contractor shall seek and follow County's direction regarding the proper disposition of County Data.

(4) Contractor shall take appropriate action to address any incident of unauthorized access to County Data, including addressing and/or remedying the issue that resulted in such unauthorized access, and notifying County by phone or in writing within 24 hours of any incident of unauthorized access to County Data, or any other breach in Contractor's security that materially affects County or end users. If the initial notification is by phone, Contractor shall provide a written notice within 5 days of the incident. Contractor shall be responsible for ensuring compliance by its officers, employees, agents, and subcontractors with the confidentiality, privacy, and information security requirements of this Agreement. Children's Advocacy Center (CAC) Scope of Work – XC Grant

A. PROGRAM OVERVIEW

The Santa Clara County Children's Advocacy Center (CAC) serves an important role in preventing, identifying, and prosecuting child abuse. The multidisciplinary team approach brings together under one umbrella all the professionals and agencies needed to offer comprehensive services: law enforcement, child protective services, prosecution, mental health, medical, and victim advocacy.

Comprehensive, coordinated victim support and advocacy services are provided to children and families through various funding streams.

Community Based Advocacy services are provided at the CAC through the initial investigation, follow up services, and prosecution (if any) for all child sexual abuse cases. Advocacy services are provided to all victims and supportive family members regardless of their financial background or ability to pay. This verification of coverage shall be sent to the requesting County department, unless otherwise directed. The Contractor shall not receive a Notice to Proceed with the work under the Agreement until it has obtained all insurance required and such insurance has been approved by the County. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- V, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Insurance Manager.
