#### NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that, on February 9, 2024, the County of Santa Clara (the "County") will conduct a public hearing as required by Section 142(f) of the Internal Revenue Code of 1986, as amended (the "Code"), at which it will hear and consider information concerning the proposed issuance by the California Municipal Finance Authority (the "Authority") of qualified solid waste disposal facility bonds pursuant to section 142(a)(6) of the Code in an aggregate principal amount not to exceed \$400,000,000 (the "Bonds"). The Bonds will be part of a plan of finance, and may be issued in one or more series from time to time over a period of multiple years.

A portion of the proceeds of the Bonds, in an amount not expected to exceed \$110,000,000, is intended to finance and/or refinance certain capital projects located in the County at Newby Island Landfill, 1601 Dixon Landing Road, Milpitas, CA 95035. The current owner and/or operator of the above facility is International Disposal Corp. of California, an affiliate of Republic Services, Inc. (together with their affiliates, the "Borrower").

The projects to be financed and/or refinanced at such location (collectively, the "Project") include: (a) improvements to existing landfill facilities, including construction of new disposal cells and liners within currently permitted acreage, (b) additions and improvements to the leachate collection and treatment system, including leachate trenching, (c) additions and improvements to the methane gas systems, (d) installation of new liners for intermittent and final closure of completed sections of the landfill facilities, (e) site improvements, (f) acquisition of equipment to be used at the landfill facilities, and (g) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them into service.

The Bonds and the obligation to pay principal of and interest thereon and any redemption premium with respect thereto do not constitute indebtedness or an obligation of the County, the Authority, the State of California or any political subdivision thereof, within the meaning of any constitutional or statutory debt limitation, or a charge against the general credit or taxing powers of any of them. The Bonds shall be a limited obligation of the Authority, payable solely from certain revenues duly pledged therefor and generally representing amounts paid by the Borrower.

The hearing will commence at 10:00 a.m. or as soon thereafter as the matter may be heard. No physical location will be available for the hearing. The hearing will be conducted by toll-free teleconference only. Interested persons wishing to express their views on the issuance of the Obligations or on the nature and location of the Facilities proposed to be financed and refinanced may provide public comments during the hearing by dialing (888) 278-0296; then, following the prompt, dialing access code 998641#. Hedding Street, East Wing, 2nd Floor, San Jose, California 95110, Attn: Debt Management, at least 24 hours in advance of the hearing. All timely public comments will be provided to the Board of Supervisors and will become part of the public record.
