

# Community Engagement Plan and Draft Report

## The Salvation Army Silicon Valley Temporary Housing

**Project Name:** The Salvation Army Silicon Valley Temporary Housing  
**Site Address:** 359 4<sup>th</sup> Street, San Jose  
**Operator:** The Salvation Army Silicon Valley  
**Other Project Partners:** City of San Jose and Santa Clara County  
**City Council District:** Councilmember Omar Torres  
**Supervisory District:** Supervisor Chavez

---

### **Summary of Opportunity:**

The Salvation Army has raised the necessary capital to complete the renovations to the Emmanuel House and has a desire to expand their operations beyond the capacity at the Emmanuel House. The proposed project includes the construction of a new 74-unit modular construction service enriched shelter. The Salvation Army will pay for the supportive services and has requested assistance for the capital costs associated with establishing the temporary housing project in an undeveloped portion of their property.

## The Salvation Army Silicon Valley Temporary Housing

### Summary of Community Engagement Strategy:

The community engagement strategy for the Subject Property will include 1 community meeting focused on bringing the community together to understand the multiple phases of the projects at the Salvation Army Campus

### **Community Engagement Workshops (Various)**

#### Preplanning: Special Focus Group Outreach

- Meet and update elected officials prior to formal commencement of outreach.
- Present draft concepts to key stakeholders to provide to them an initial preview of project scope.
- Share specific third-party reports with stakeholders to provide background material.

Community Meetings Series: Undertake community meetings to present the vision for the project and receive feedback, as well as inform the public about the upcoming possible Challenge Grant application.
