*Re: Support Item 36, Report Relating to Prevention & Intervention, February 6, 2024*

Dear President Ellenberg and Members of the Board of Supervisors:

I write to you on behalf of the Silicon Valley Council of Nonprofits (SVCN), an alliance of community-based organizations working to advance the role, voice, and capacity of the nonprofit community in Santa Clara County so it can be a force for positive social change and support the creation of equitable, vibrant, and thriving communities.

We are excited by the work that has already been done by Public Health to scan and start planning to address the gaps in violence prevention and intervention services and approaches. We hope that the Board will direct the Administration to work with community stakeholders (including SVCN, BHCA, the REAL Coalition, and grassroots community leaders with lived system experience) and the City of San José to develop a community-informed and aligned plan. Investment in prevention and intervention, especially as alternatives to unnecessary policing and incarceration, are among the SVCN membership's highest policy priorities in 2024.

Feel free to reach out to me at (408) 605-6586 or [kyrak@svcn.org](mailto:kyrak@svcn.org) to discuss this issue.

Regards,
