REASONS FOR RECOMMENDATION AND BACKGROUND

The County of Santa Clara's (County) Social Services Agency (SSA), Department of Family and Children's Services (DFCS) has provided the Board of Supervisors (Board) and Children, Seniors, and Families Committee (CSFC) with periodic reports on the Hub. This report provides an update on the programmatic services provided at the Hub, located at 591 King Road.

The information in this report was originally scheduled for presentation to CSFC in December and was a part of more comprehensive report on the Hub in partnership with the Office of Supportive Housing and Facilities and Fleet Department. However, on December 12, 2023, the Board approved the removal of all DFCS items from CSFC.

Current Hub

The Hub is a youth center that provides on-site services to current and former foster youth ages 15 to 25 years of age and is dedicated to enhancing the life experiences of current and former foster youth on a day-to-day basis by fostering connections and developing new partnerships. Services include educational assistance, career development, employment resources, housing assistance, CalFresh application assistance, independent living case management services, and identity theft prevention. Wellness, medical and mental health services are also available.

The Hub provides warm meals daily to current and former foster youth, has laundry facilities and showers available, and offers clothes, backpacks, school supplies, hygiene products, baby wipes, diapers and other goods to youth at no cost at its HubMart. Computers and free

internet access are available to complete schoolwork, search and apply for jobs, shop, and connect with friends and family on social media. All services and supports provided at the Hub enable current and former foster youth to develop independent living skills and sustain well-being as they age out of the foster care system.

The Hub remains open for full utilization of services and operates its regular business hours, 9:00 AM – 6:00 PM, Monday-Friday. Per youth request, the Hub also provides a hybrid-service delivery model incorporating in-person and virtual services.

On October 31, 2023, the Hub, in partnership with the Bill Wilson Center, and Junior League of San Jose celebrated young parenting foster youth and their children by sponsoring a Trunk-or-Treat event at the Hub. A total of 12 parenting youth and 13 children attended the event. Children received food, candy and dental hygiene kits.

On November 16, 2023, the Hub in collaboration with the Junior League of San Jose and the Bill Wilson Center hosted a memorable Thanksgiving event for foster youth. A special thanks to Martha's Kitchen, who prepared a traditional Thanksgiving dinner, homemade tamales, and other cuisines requested by the youth. In addition, the Hub staff hosted a hot chocolate bar and facilitated team building activities to share in a fun experience with youth while also strengthening relationships with their peers, staff, and community partners.

The Hub continues to offer its free voluntary income tax assistance (VITA) services for the 2023 tax filing season. As of October 31, 2023, assistance was provided to 116 youth who successfully e-filed their taxes and received or are expecting to receive a total of \$241,960, or an average of \$2,086 per tax return. Table 1 below shows tax seasons 2020-2022 VITA total refunds which has increased by 79%. For tax year 2022, a new California Foster Youth Tax Credit (FYTC) was enacted to provide eligible current and former foster youth up to \$1,083 if filing individually or up to \$2,166 if both primary taxpayer and spouse/registered domestic partner (RDP) qualify.
