

1 in 3
foster youth in Santa Clara County
missed their last dental check-up

Funded by the CDPH under Grant #22-10198

Santa Clara County
PUBLIC HEALTH

1

Feeling safe at the dentist can be hard.

Santa Clara County
PUBLIC HEALTH

2

But, keeping routine dental appointments
with the right dentist can create a sense of
normalcy. Mouths that are pain-free with
healthy smiles can build confidence.

3

Dental health is a part of whole-body
health. If you are a foster parent or
caregiver, please remember to schedule
their dental appointments.
