SUBJECT: Semi-Monthly Report of Upcoming Solicitations

RECOMMENDED ACTION

Receive report from the Office of the County Executive relating to anticipated solicitations.

FISCAL IMPLICATIONS

There are no fiscal implications resulting from the issuance of Requests for Proposals (RFPs), Requests for Grant Applications (RFGAs), and Request for Statement of Qualifications (RFSQs). Fiscal impacts will be identified when resulting contracts are approved.

REASONS FOR RECOMMENDATION AND BACKGROUND

The report is intended to provide summarized data, but not the actual solicitations, as departments often update and refine solicitation language up to the point of issuance. The solicitations may be in various stages of drafting. If a Supervisor is interested in reviewing a specific solicitation from the list prior to the solicitation being released, the Supervisor should contact the MAL Coordinator in the Office of the County Executive to coordinate receiving an off-agenda report from the issuing department before the solicitation is released.
