- (iii) Offer Contractor an opportunity to cure the breach.

Subcontractors: Contractor shall impose all of the requirements set forth in this Subsection H on any subcontractors permitted to perform work under this Agreement. This includes ensuring that any subcontractor receiving a Final Judgment for violation of an applicable Law promptly satisfies and complies with such Final Judgment.

K. BUDGET CONTINGENCY

This Agreement is contingent upon the appropriation of sufficient funding by the County for the services covered by this Agreement. If funding is reduced or deleted by the County for the services covered by this Agreement, the County has the option to either terminate this Agreement with no liability occurring to the County or to offer an amendment to this Agreement indicating the reduced amount.

L. COUNTY NO-SMOKING POLICY

Contractor and its employees, agents and subcontractors, shall comply with the County's No-Smoking Policy, as set forth in the Board of Supervisors Policy Manual section 3.47 (as amended from time to time), which prohibits smoking: (1) at the Santa Clara Valley Medical Center Campus and all County-owned and operated health facilities, (2) within 30 feet surrounding County-owned buildings and leased buildings where the County is the sole occupant, and (3) in all County vehicles.

M. FOOD AND BEVERAGES STANDARDS

Except in the event of an emergency or medical necessity, the following nutritional standards shall apply to any foods and/or beverages purchased by Contractor with County funds for County-sponsored meetings or events.

If food is to be provided, healthier food options shall be offered. "Healthier food options" include (1) fruits, vegetables, whole grains, and low fat and low calorie foods; (2) minimally processed foods without added sugar and with low sodium; (3) foods prepared using healthy cooking techniques; and (4) foods with less than 0.5 grams of trans fat per serving. Whenever possible, Contractor shall (1) offer seasonal and local produce; (2) serve fruit instead of sugary, high calorie desserts; (3) attempt to accommodate special, dietary and cultural needs; and (4) post nutritional information and/or a list of ingredients for items served. If meals are to be provided, a vegetarian option shall be provided, and the Contractor should consider providing a vegan option.

If pre-packaged snack foods are provided, the items shall contain: (1) no more than 35% of calories from fat, unless the snack food items consist solely of nuts or seeds; (2) no more than 10% of calories from saturated fat; (3) zero trans-fat; (4) no more than 35% of total weight from sugar and caloric sweeteners, except for fruits and vegetables with no added sweeteners or fats; and (5) no more than 360 mg of sodium per serving.

Sugar-sweetened beverages shall not be provided.

N. CONTRACTING PRINCIPLES

All entities that contract with the County to provide services where the contract value is \$100,000 or more per budget unit per fiscal year and/or as otherwise directed by the Board, shall be fiscally responsible entities and shall treat their employees fairly. To ensure compliance with these contracting principles, all contractors shall: (1) comply with all applicable federal, state and local rules, regulations and laws; (2) maintain financial records, and make those records available upon request; (3) provide to the County copies of any financial audits that have been completed

during the term of the contract; (4) upon the County's request, provide the County reasonable access, through representatives of the Contractor, to facilities, financial and employee records that are related to the purpose of the contract, except where prohibited by federal or state laws, regulations or rules.

O. CALIFORNIA PUBLIC RECORDS ACT

The County is a public agency subject to the disclosure requirements of the California Public Records Act ("CPRA"). If Contractor's proprietary information is contained in documents or information submitted to County, and Contractor claims that such information falls within one or more CPRA exemptions, Contractor must clearly mark such information "CONFIDENTIAL AND PROPRIETARY," and identify the specific lines containing the information. In the event of a request for such information, the County will make best efforts to provide notice to Contractor prior to such disclosure. If Contractor contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Santa Clara County before the County is required to respond to the CPRA request. If Contractor fails to obtain such remedy within the time the County is required to respond to the CPRA request, County may disclose the requested information.

Contractor further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorney's fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction), by the Contractor.

P. THIRD PARTY BENEFICIARIES

This agreement does not, and is not intended to, confer any rights or remedies upon any person or entity other than the parties.

Q. INTELLECTUAL PROPERTY RIGHTS

Ownership: County shall own all right, title and interest in and to the Deliverables. For purposes of this Agreement, the term "Deliverables" shall mean any documentation and deliverables created by Contractor during the performance of services that are identified in this Agreement. Contractor hereby assigns to the County all rights, title and interest in and to any and all intellectual property whether or not patentable or registrable under patent, copyright, trademark or similar statutes, made or conceived or reduced to practice or learned by Contractor, either alone or jointly with others, during the period of Contractor's agreement with the County or result from the use of premises leased, owned or contracted for by the County.

Contractor acknowledges that all original works of authorship which are made by Contractor (either solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act (17 U.S.C. Section 101), and shall belong solely to County. Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or delivered by Contractor, either solely or jointly with others, in connection with any agreement with the County.

R. INTELLECTUAL PROPERTY INDEMNITY

Contractor represents and warrants for the benefit of the County and its users that, to its knowledge, as of the effective date of this Agreement, Contractor is the exclusive owner of all rights, title and interest in the Deliverables and/or services provided pursuant to this Agreement. Contractor shall defend, indemnify and hold the County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and reasonable attorney's fees) by a third party alleging the Deliverables and/or services provided pursuant to this Agreement infringe upon any intellectual property rights of third parties. This indemnity and duty to defend is in addition to and does not supersede the requirements stated in VII of this agreement.

S. OWNERSHIP RIGHTS TO MATERIALS/RESTRICTIONS ON USE

All materials obtained, developed or prepared by Contractor in the course of performing services hereunder, including but not limited to videotapes, audio recordings, still photographs, ads or brochures, and the derivative works, patent, copyright, trademark, trade secret or other proprietary rights associated therewith (collectively "Deliverables"), shall be the sole and exclusive property of the County. To the extent Contractor owns or claims ownership rights to said Deliverables, Contractor hereby expressly assigns all said rights, title, and interest in and to the Deliverables to the

County pursuant to the terms and conditions of this Agreement and at no additional cost. The County has the exclusive royalty-free irrevocable right to duplicate, publish or otherwise use for any purpose, all materials prepared under this Agreement. If Contractor wishes to use the materials prepared hereunder for any purpose including but not limited to promotional, educational or commercial purposes, the Contractor shall obtain prior written authorization from the County, which consent may be withheld by the County in its sole discretion.

Contractor acknowledges that all original works of authorship which are made by Contractor (solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are “works made for hire,” as that term is defined in the United States Copyright Act (17 U.S.C., Section 101), and shall belong solely to County.

Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or developed by Contractor, solely or jointly with others, in connection with any agreement with the County. If requested to, and at no further expense to the County, Contractor will execute in writing any acknowledgments or assignments of copyright ownership of such copyrightable works as may be appropriate for preservation of the worldwide ownership in the County and its nominees of such copyrights. This section shall apply to the extent not otherwise provided under this agreement.

T. COUNTY DATA

(1) Definitions: “County Data” shall mean data and information received by Contractor from County. County Data includes any information or data that is transported across a County network, or that resides in a County-owned information system, or on a network or system under the control and management of a contractor for use by County. “County Confidential Information” shall include all material, non-public information (including material, non-public County Data) appearing in any form (including, without limitation, written, oral or displayed), that is disclosed, directly or indirectly, through any means of communication by County, its agents or employees, to Contractor, its agents or employees, or any of its affiliates or representatives.

(2) Contractor shall not acquire any ownership interest in County Data (including County Confidential Information). As between Contractor and County, all County Confidential Information and/or County Data shall remain the property of the County. Contractor shall not, without County’s written permission, use or disclose County Data (including County Confidential Information) other than in the performance of its obligations under this Agreement.

(3) Contractor shall be responsible for establishing and maintaining an information security program that is designed to ensure the security and confidentiality of County Data, protect against any anticipated threats or hazards to the security or integrity of County Data, and protect against unauthorized access to or use of County Data that could result in substantial harm or inconvenience to County or any end users. Upon termination or expiration of this Agreement, Contractor shall seek and follow County’s direction regarding the proper disposition of County Data.

(4) Contractor shall take appropriate action to address any incident of unauthorized access to County Data, including addressing and/or remedying the issue that resulted in such unauthorized access, and notifying County by phone or in writing within 24 hours of any incident of unauthorized access to County Data, or any other breach in Contractor’s security that materially affects County or end users. If the initial notification is by phone, Contractor shall provide a written notice within 5 days of the incident. Contractor shall be responsible for ensuring compliance by its officers, employees, agents, and subcontractors with the confidentiality, privacy, and information security requirements of this Agreement. Should County Confidential Information and/or legally protected County Data be divulged to unauthorized third parties, Contractor shall comply with all applicable federal and state laws and regulations, including but not limited to California Civil Code sections 1798.29 and 1798.82 at Contractor’s sole expense. Contractor shall not charge County for any expenses associated with Contractor’s compliance with these obligations.

(5) Contractor shall defend, indemnify and hold County harmless against any claim, liability, loss, injury or damage arising out of, or in connection with, the unauthorized use, access, and/or disclosure of information by Contractor and/or its agents, employees or sub-contractors, excepting only loss, injury or damage caused by the sole negligence or willful misconduct of personnel employed by the County.

U. PAYMENT TERM

[NOT APPLICABLE TO COMMUNITY BASED ORGANIZATIONS – Describe payment terms for CBO’s in Section V. (D) PAYMENT SCHEDULE]

The County’s standard payment term shall be Net Thirty (30), unless otherwise agreed to by the parties. Payment shall be due Net Thirty (30) days from the date of receipt and approval of correct and proper invoices. Payment is deemed to have been made on the date the County mails the warrant or initiates the electronic funds transfer.

V. CONTRACT EXECUTION

Unless otherwise prohibited by law or County policy, the parties agree that an electronic copy of a signed contract, or an electronically signed contract, has the same force and legal effect as a contract executed with an original ink signature. The term “electronic copy of a signed contract” refers to a transmission by facsimile, electronic mail, or other electronic means of a copy of an original signed contract in a portable document format. The term “electronically signed contract” means a contract that is executed by applying an electronic signature using technology approved by the County.

W. LIVING WAGE (IF APPLICABLE)

Unless otherwise exempted or prohibited by law or County policy, where applicable, Contractors that contract with the County to provide Direct Services developed pursuant to a formal Request for Proposals process, as defined in County of Santa Clara Ordinance Code Division B36 (“Division B36”) and Board Policy section 5.5.5.5 (“Living Wage Policy”), and their subcontractors, where the contract value is \$100,000 or more (“Direct Services Contract”), must comply with Division B36 and the Living Wage Policy and compensate their employees in accordance with Division B36 and the Living Wage Policy. Compliance and compensation for purposes of this provision includes, but is not limited to, components relating to fair compensation, earned sick leave, paid jury duty, fair workweek, worker retention, fair chance hiring, targeted hiring, local hiring, protection from retaliation, and labor peace. If Contractor and/or a subcontractor violates this provision, the Board of Supervisors or its designee may, at its sole discretion, take responsive actions including, but not limited to, the following:

- (a) Suspend, modify, or terminate the Direct Services Contract.
- (b) Require the Contractor and/or Subcontractor to comply with an appropriate remediation plan developed by the County.
- (c) Waive all or part of Division B36 or the Living Wage Policy.

This provision shall not be construed to limit an employee’s rights to bring any legal action for violation of the employee’s rights under Division B36 or any other applicable law. Further, this provision does not confer any rights upon any person or entity other than the Board of Supervisors or its designee to bring any action seeking the cancellation or suspension of a County contract. By entering into this contract, Contractor certifies that it is currently complying with Division B36 and the Living Wage Policy with respect to applicable contracts and warrants that it will continue to comply with Division B36 and the Living Wage Policy with respect to applicable contracts.

X. COVID-19 REQUIREMENTS (IF APPLICABLE)

Contractor shall comply with all County requirements in effect relating to COVID-19 for persons who routinely perform services for County onsite and share airspace with or proximity to other people at a County facility as part of their services for County as set forth in a County Health Order (or similar directives) available at <https://covid19.sccgov.org/home>, and incorporated herein by this reference. Contractor shall comply with all reasonable requests by County for documentation demonstrating Contractor’s compliance with this Section.

Y. SURVIVAL

All representations, warranties, and covenants contained in this Agreement, or in any instrument, certificate, exhibit, or other writing intended by the parties to survive this Agreement, shall survive the termination or expiration of this Agreement, including but not limited to all terms (1) providing for indemnification of County; (2) relating to the California Public Records Act; (3) relating to County Data; and (4) relating to Contractor’s obligations upon termination or expiration of this Agreement.

Without limiting the Contractor's indemnification of the County, the Contractor shall provide and maintain at its own expense, during the term of this Agreement, or as may be further required herein, the following insurance coverages and provisions:

A. Evidence of Coverage

Prior to commencement of this Agreement, the Contractor shall provide a Certificate of Insurance certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, a certified copy of the policy or policies shall be provided by the Contractor upon request.

This verification of coverage shall be sent to the requesting County department, unless otherwise directed. The Contractor shall not receive a Notice to Proceed with the work under the Agreement until it has obtained all insurance required and such insurance has been approved by the County. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

B. Qualifying Insurers

- 1. The foregoing requirements as to the types and limits of insurance coverage to be maintained by the Contractor and any approval of said insurance by the County or its insurance consultant(s) are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by the Contractor pursuant to this Agreement, including but not limited to the provisions concerning indemnification.
- 2. The County acknowledges that some insurance requirements contained in this Agreement may be fulfilled by self-insurance on the part of the Contractor. However, this shall not in any way limit liabilities assumed by the Contractor under this Agreement. Any self-insurance shall be approved in writing by the County upon satisfactory evidence of financial capacity. Contractors obligation hereunder may be satisfied in whole or in part by adequately funded self-insurance programs or self-insurance retentions.

EXHIBIT B-2 (revised)

F. Fidelity Bonds (Required only if contractor will be receiving advanced funds or payments)

Before receiving compensation under this Agreement, Contractor will furnish County with evidence that all officials, employees, and agents handling or having access to funds received or disbursed under this Agreement, or authorized to sign or countersign checks, are covered by a BLANKET FIDELITY BOND in an amount of AT LEAST fifteen percent (15%) of the maximum financial obligation of the County cited herein. If such bond is canceled or reduced, Contractor will notify County immediately, and County may withhold further payment to Contractor until proper coverage has been obtained. County of Santa Clara
Behavioral Health Services Department

24-4970

DATE: April 16, 2024

TO: Board of Supervisors

FROM: Sherri Terao, Director of Behavioral Health

SUBJECT: Third Amendment to Agreement with Armanino LLC dba AMF Media Group

RECOMMENDED ACTION

Approve Third Amendment to Agreement with Armanino, LLC, dba AMF Media Group, relating to providing substance use awareness and prevention campaigns, increasing the maximum contract amount by \$415,000 from \$450,000 to \$865,000, and extending the Agreement for a 12-month period through June 30, 2025, that has been reviewed and approved by County Counsel as to form and legality. (LA-1)

FISCAL IMPLICATIONS

The recommended action would have no net impact on County General Fund. Armanino LLP dba AMF Media Group (AMF) contract is being amended to add \$415,000 to expand campaign services raising substance use awareness among residents of the County of Santa Clara. The \$415,000 is funded through the California Opioid Settlement Agreement Fund and Substance Abuse Block Grant (SABG) Prevention funds. Of the \$415,000 increase, \$115,000, will be added to the Fiscal Year (FY) 2023-2024 budget of the Amendment and is included in the Behavioral Health Services Department's (BHSD) FY 2023-2024 Adopted Budget. The remaining \$300,000 will be added to the FY 2024-2025 budget of the Amendment and is included in BHSD's FY 2024-2025 Recommended Budget.

REASONS FOR RECOMMENDATION AND BACKGROUND

BHSD's Prevention Services Division (PSD) regularly implements public awareness campaigns on substance use. The campaigns are developed with goals to address knowledge, attitudes, and behaviors around substance use. The goals include increasing the public's knowledge about specific substances and their impacts, increasing harm perception, and encouraging healthy behaviors such as harm reduction practices and openly discussing substance use with youth. Making progress towards these goals requires ongoing and sustained public awareness efforts. Since 2019, PSD has developed and aired six substance

Approved: 04/16/2024

use prevention campaigns: four campaigns addressing fentanyl and opioids, one on cannabis, and one on alcohol (aired three times in multiple languages). Campaigns have targeted residents ages 14 and older and have aired on various online, digital, print, and other media platforms identified to best reach their respective target audiences.

The recommended action would approve the Third Amendment to the Agreement with AMF Media to increase their budget by \$415,000 to continue and expand public awareness campaign services for FY 2023-2024 and FY 2024-2025. In FY 2023-2024, PSD would utilize \$115,000 of the budget to research and develop advertisements raising awareness about the prevalence of intoxicating hemp-derived cannabis products and about the impacts of available access to alcohol in Santa Clara County communities. The advertisements would target parents and young adults. From the \$300,000 budget allocation in FY 2024-2025, PSD would utilize SABG funding to air the advertisements on hemp-derived products and alcohol accessibility.

In FY 2024-2025 PSD would also utilize Opioid Settlement Funding to further expand fentanyl awareness campaign efforts by continually improving and re-airing its advertisements about fentanyl. These advertisements originally aired in FY 2022-2023 and encouraged residents to learn more about fentanyl, including where to access naloxone nasal spray, when to use it, and how to administer it. The campaign targets youth, parents, and guardians. It had positive evaluation results the first time it aired and has been continually updated and improved upon using focus group feedback.

CHILD IMPACT

The recommended action will have a positive impact on children by supporting substance use campaign awareness within the community.

SENIOR IMPACT

The recommended action will have a positive impact on seniors by supporting substance use campaign awareness within the community.

SUSTAINABILITY IMPLICATIONS

The recommended action will balance public policy and program interests and enhances the Board of Supervisors' sustainability goals of social equity and safety by ensuring that residents of Santa Clara County are made aware of the impacts of substance use.

CONSEQUENCES OF NEGATIVE ACTION

Failure to approve the recommended action would limit the PSD's ability to provide critical public awareness and outreach services related to substance use. A lapse in these services would prevent PSD from fulfilling its commitment to promote better health for all communities through substance use prevention and suicide prevention.

STEPS FOLLOWING APPROVAL

Priority processing is requested for the Amendment as a portion of the funding is set to expire at the end of FY 2023-2024. Upon approval, please send e-mail notifications to Mego Lien (Mego.Lien@hhs.sccgov.org), Evonne Lai (Evonne.Lai@hhs.sccgov.org), Angeleah Macatiag (Angeleah.Macatiage@hhs.sccgov.org), Earl Ong (Earl.Ong@hhs.sccgov.org), and Mayra Moreno (Mayra.Moreno@hhs.sccgov.org).
